June

July

August

三月

四月

五月

六月

七月

八月

⑤ Keiryu Koinobori (Jozankei Hot Spring Area)

Sapporo Lilac Festival (Odori Park)

⑦ YOSAKOI Soran Festival (Odori Park)

Pacific Music Festival (Sapporo Art Park)

Sapporo City Jazz (Odori Park and Sapporo Art Park)

⑧ Hokkaido Shrine Festival (Throughout the city)
Flowerfest Sapporo (Odori Park)

⑨ Toyohira River Fireworks (Toyohira River)
Okurayama Summer Ski Jumping Festival (Okurayama Ski Jump)

⑩ Sapporo Summer Festival (Odori Park)
Hokkaido Marathon (Downtown Sapporo)

Courses

First Semester (October, 2013 – March, 2014)

文化・社会

Culture and Society

Soviet History

David Wolff
Slavic Research Center

Applied Literature for Sustainable Development 2013

Eijun Senaha
Graduate School of Letters

Queer Theory and Visual Culture

Yuka Kanno
Graduate School of Letters

Japanese Economy

Coordinator: Makoto Nishibe
Graduate School of Economics and Business Administration

Indigenous Rights and Sustainability

Jeffrey Gayman
Research Faculty of Media and Communication

Language in Society

Kylie Martin
Research Faculty of Media and Communication

Contemporary Japanese Society A/B

Peter Firkola
International Student Center

Gender and Society

Aya Takahashi
International Student Center

War History and Memory in Japan

Philip Seaton
International Student Center

環境

Environment

Field Bioscience in the Northern Biosphere

Coordinator: Yoichiro Hoshino
Field Science Center for Northern Biosphere

Sustainability Science IV - Latest Information on Sustainability -

Coordinator: Noriyuki Tanaka
Center for Sustainability Science

Sustainability Science VI - ODA and Sustainability of Developing Countries -

Coordinator: Noriyuki Tanaka
Center for Sustainability Science

Sustainability Science VII - At the Cutting Edge of Land-Use Research: Global Land Project -

Coordinator: Noriyuki Tanaka
Center for Sustainability Science

科学・技術

Science and Technology

Chemistry and English for Life Science

Fayna Garcia-Martin
Faculty of Advanced Life Science

Joy of Science - Discovering the Matters and the Laws of the Universe

Eun-Kyung Park
Graduate School of Science

Cells and Their Environment: Extracellular Matrix

Ryuichi Fujisawa
Graduate School of Dental Medicine

Overview of Energy Engineering Technology

Coordinator: Takemi Chikahisa
Graduate School of Engineering

Mechanical Vibration and Control

Yukinori Kobayashi
Graduate School of Engineering

Space Utilization Engineering

Coordinator: Osamu Fujita
Graduate School of Engineering

Structural Dynamics and Environmental Vibrations

Coordinator: Toshiro Hayashikawa
Graduate School of Engineering

自主研究

Independent Study

Independent Study

Faculty Advisor

日本語

Japanese Language

Japanese Language

Japanese Language Instructors
International Student Center

A detailed syllabi for all of the courses is available at the HUSTEP website listed below:

<http://www.isc.hokudai.ac.jp/> Course Program > Hokkaido University Short-Term Exchange Program (HUSTEP)

The above course list is tentative. In some cases, courses may be added or cancelled or the course content may change without notice. The courses listed above and the Independent Study are worth 2 credits each. The Japanese Language classes are 1 or 2 credits each.

Courses Second Semester (April, 2014 – August, 2014)

文化・社会

Culture and Society

Education and Society in Japan

Coordinator: Masao Mizuno
Graduate School of Education

The Real Story of Child Language Acquisition

Satoshi Oku
Research Faculty of Media and Communication

Minorities in Japan

Jeffry Gayman
Research Faculty of Media and Communication

Ecology, Land and Languages

Kylie Martin
Research Faculty of Media and Communication

Career Planning

Peter Firkola
International Student Center

Japanese Management

Peter Firkola
International Student Center

Hokkaido History

Philip Seaton
International Student Center

環境

Environment

Environmental Earth Science

Coordinator: Shiro Tsuyuzaki
Graduate School of Environmental Earth Science

Agriculture in Hokkaido

Coordinator: Kazuto Iwama
Faculty of Agriculture

Sustainability Science I - Earth System, Human Interaction and Sustainability -

Coordinator: Noriyuki Tanaka
Center for Sustainability Science

Sustainability Science II - Knowledge for Sustainability of Human & Social Systems -

Coordinator: Noriyuki Tanaka
Center for Sustainability Science

Sustainability Science V - Frontiers of Sustainability Science -

Coordinator: Noriyuki Tanaka
Center for Sustainability Science

科学・技術

Science and Technology

Essential Physics

Elizabeth Tasker
Graduate School of Science

General Biology

Helena Fortunato
Graduate School of Science

Modern Trends in Chemistry

Coordinator: Tetsuya Taketsugu
Graduate School of Science

Maintenance Engineering

Tamon Ueda
Graduate School of Engineering

Resources, Human and the Earth

Yoshiaki Fujii
Graduate School of Engineering

Current Topics in Science and Technology

Yuna Kim
Research Institute of Electronic Science
