GLOBAL EXPERIENCE AND TRAINING (GET)

- Assist Temple faculty in hands-on short-term summer research and internship projects
- Enjoy social activities, cultural excursions, and professionalization seminars
- Improve your skills to help jump start your career or get into Graduate School

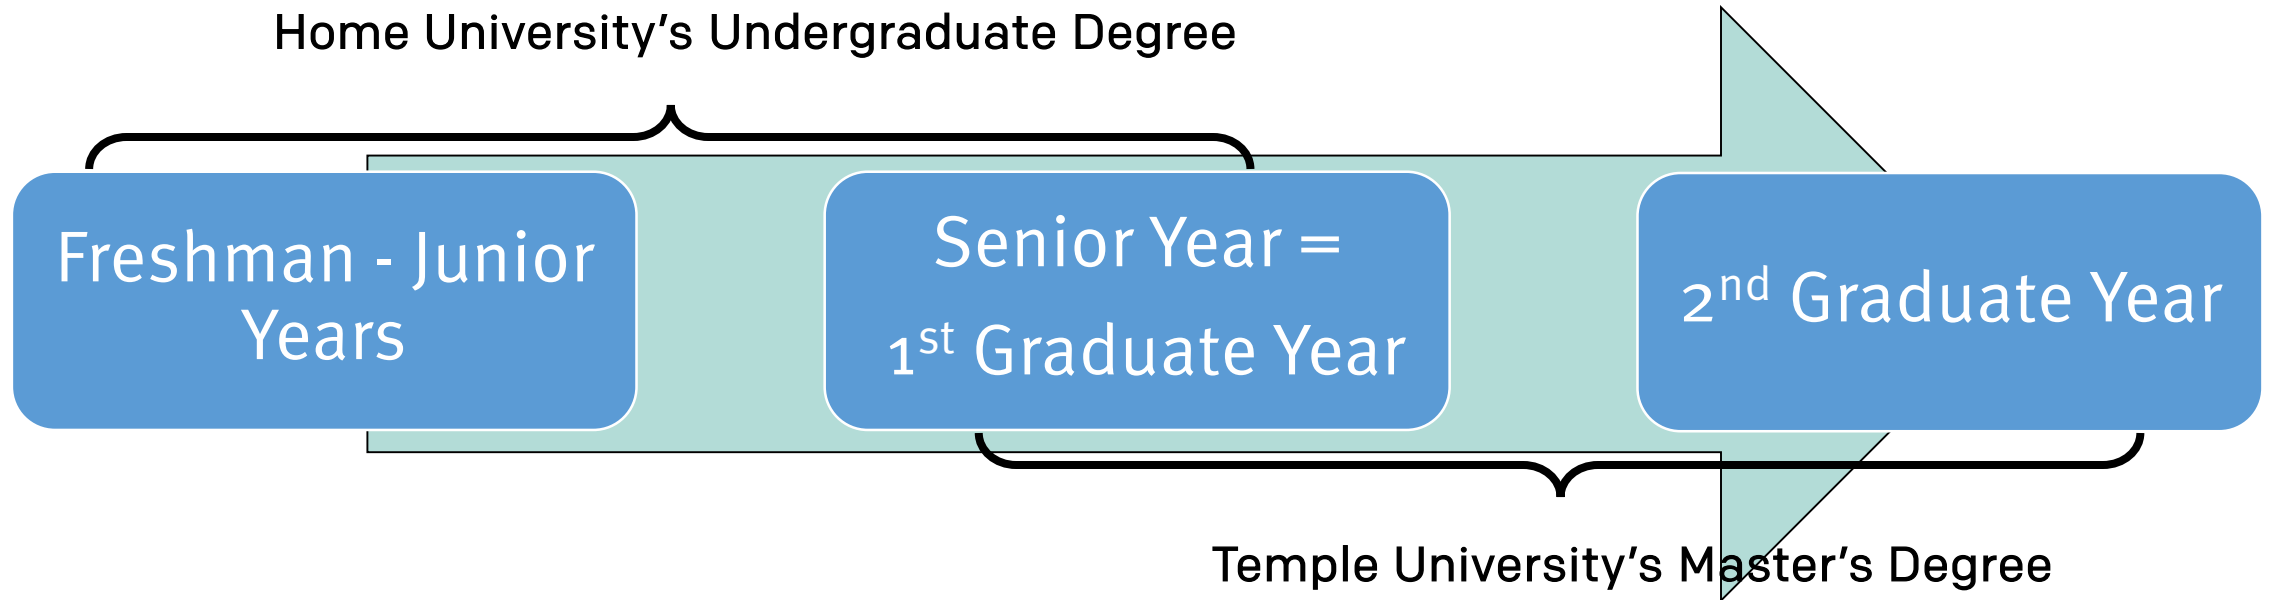

DUAL BACHELOR'S MASTER'S DEGREE PROGRAM

- DBMD is an accelerated dual degree program
- Earn your Bachelor's from home institution, your Master's from Temple
- Apply in your junior (3rd) or senior (4th) year
- Complete both degrees in only 5 years

HOW DOES DBMD WORK?

Students spend 3 or 4 years at their home institution and 2 years at Temple. At the conclusion of the program, they have a bachelor's degree from the home university and a master's degree from Temple.

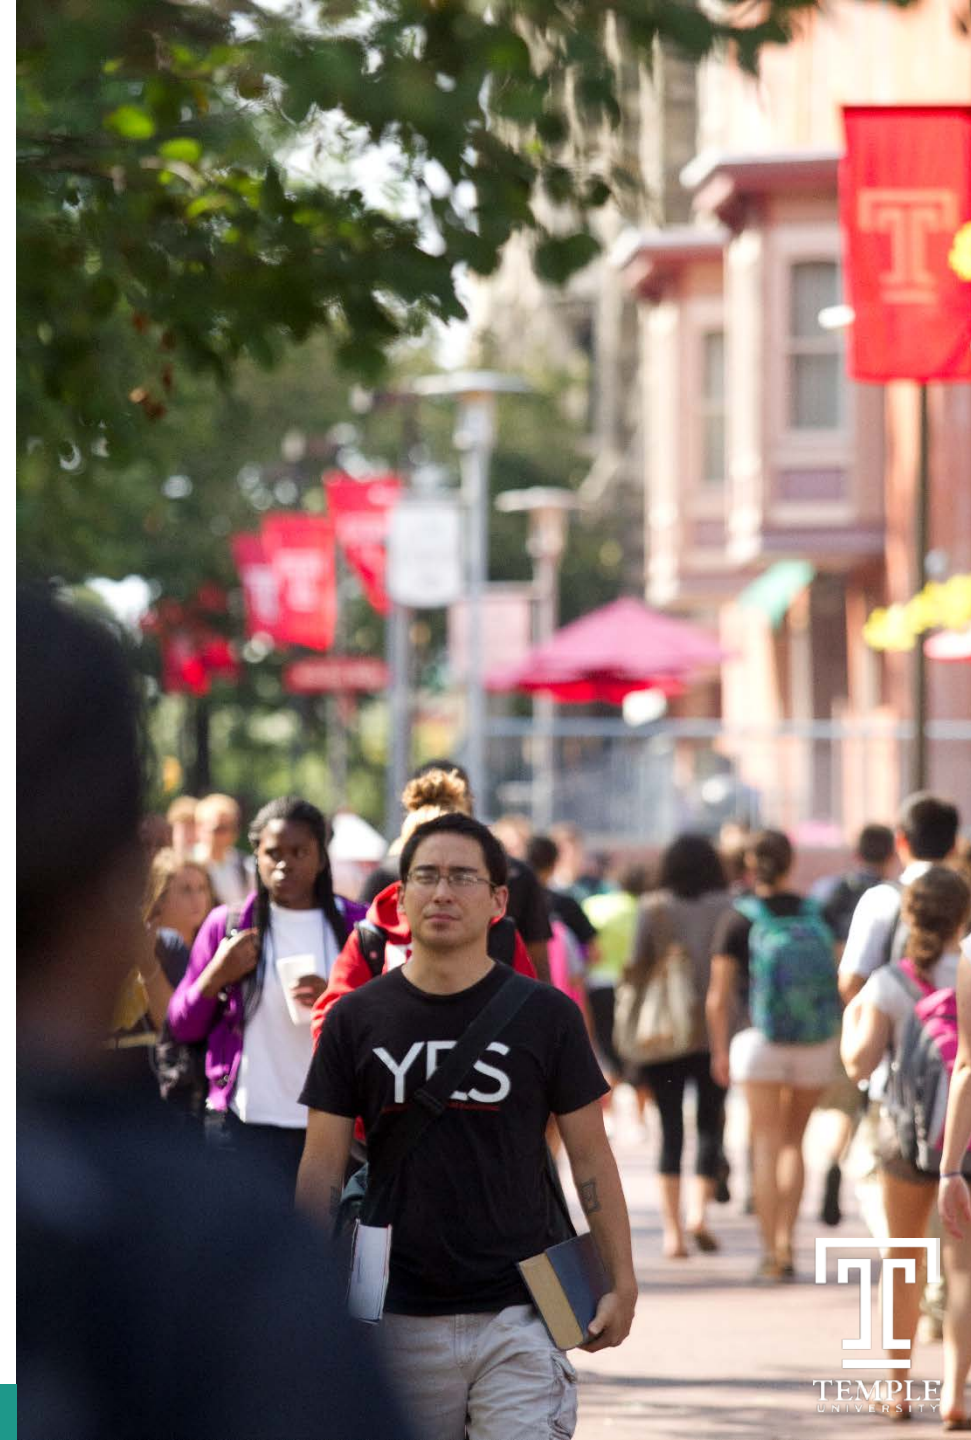

DBMD BENEFITS

- Scholarship opportunities
- GRE waived (except for Fox School of Business)
- Early admission into Graduate School
- Bachelor's and Master's in just 5 years
- Guidance and support with application, housing, and academic advising
- Graduate Assistantships available in 2nd year (up to 100% tuition remission and stipend)
- STEM programs offer the opportunity to stay in the U.S. and work for up to three years after graduating on Optional Practical Training (OPT).
- DBMD student trips and activities

DBMD REQUIREMENTS

- Open to students in their 3rd or 4th year with 3 or fewer remaining courses
- GPA 3.0/4.0 (Preferred)
- TOEFL Internet-based (iBT) 79 (Minimum)
 - Fox Business School 100
 - Media and Communications 100
- IELTS Academic 6.5
 - Fox Business School 7.5
 - Media and Communications 7
- GMAT or GRE required for Business applicants; at least 65th percentile

DBMD STUDENT

Jiaping Yu

2nd Year, DBMD Program
Computer Science

“If you like the sophisticated transportation system and fantastic food , why don't you come to Philly?”

If you would like to get a higher degree with conscientious instructors and refined schoolmates but do not want to spend too much time and money, then why don't you come to Temple?”

Bachelor's: Electronic Information Engineering, Chang'An University

Master's: Computer Science, Temple University

DBMD STUDENT

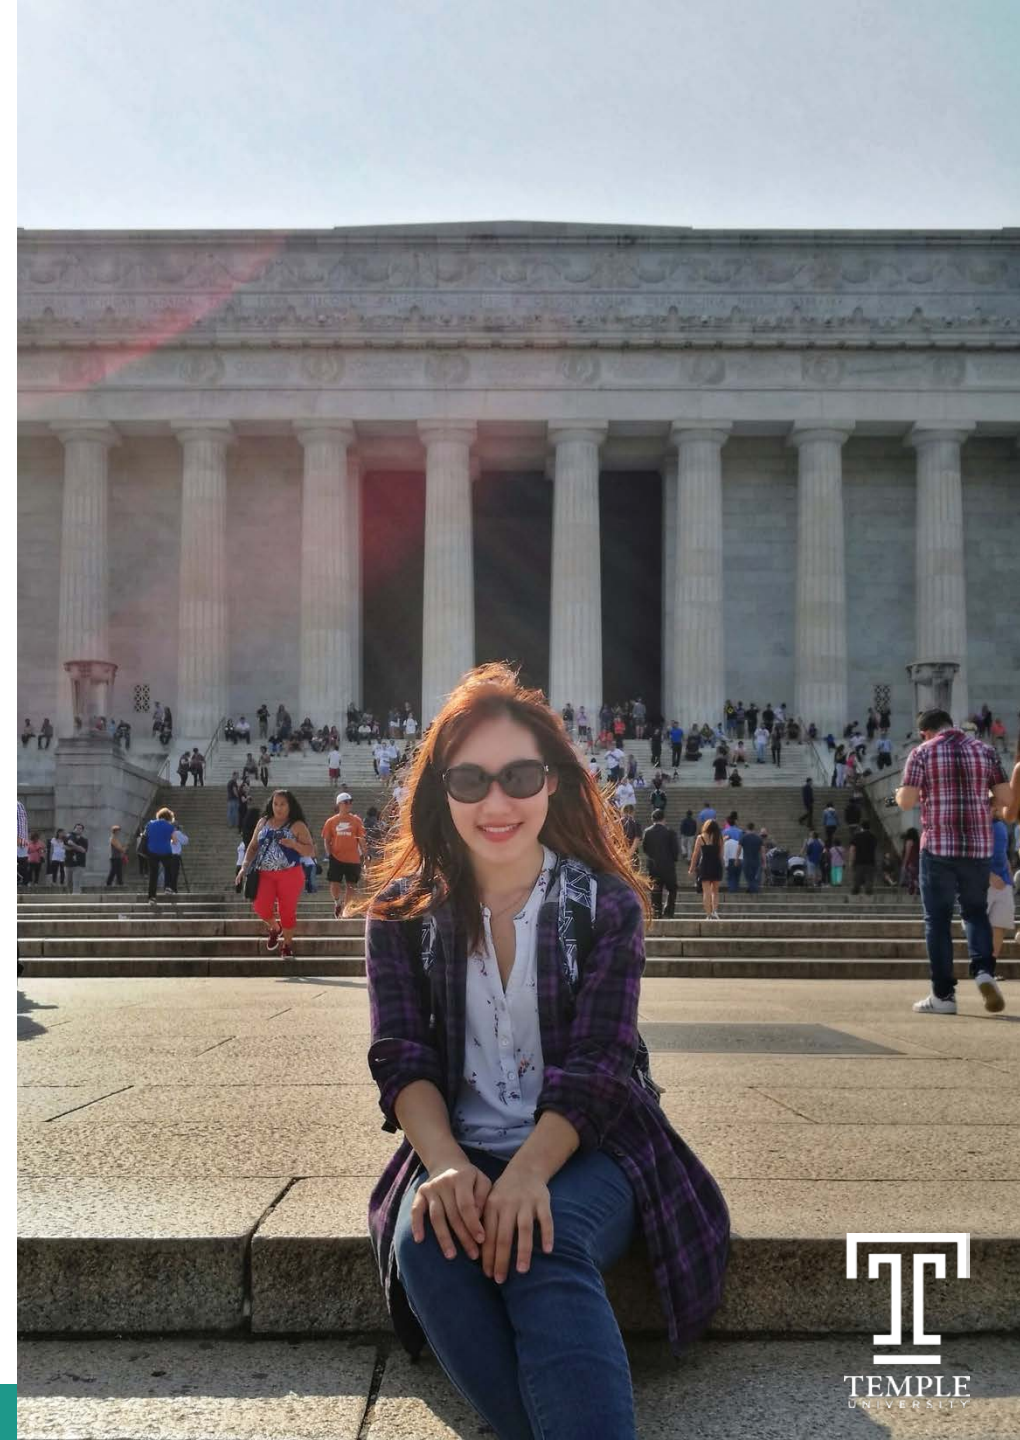

Jin Xu

1st Year, DBMD Program
Geography and Urban Studies

“The DBMD program allowed me to start Graduate School before having a bachelor's degree. I'm so excited to take this step forward and begin some big challenges. The best part is, I didn't have to take the GRE.”

Bachelor's: Science and Technology, China University of Geosciences

Master's: Geography and Urban Studies, Temple University

DBMD STUDENT

Shunyu Li

1st Year, DBMD Program
Economics

I chose Temple's DBMD program because I'm very interested in Philadelphia and American culture, and Temple is an inclusive international community. I've already made a lot of friends, and the DBMD staff is always helps me – they are like my family here.

Bachelor's: Economics, University of Macau

Master's: Economics, Temple University

DBMD STUDENT

Xiayi Wo

1st Year, DBMD Program

Media Studies and Production

“DBMD is a saving-time program, getting both your bachelor’s and master’s degrees in a shorter amount of time compared with other graduate programs. Being a part of DBMD program, I’ve made a lot of friends with people all over the world. It is really a wonderful experience for me.”

Bachelor’s: Chinese Language Studies, Shanghai International Studies University

Master’s: Media Studies and Production, Temple University

DBMD STUDENT

Yuanzhuo Wang

2nd Year, DBMD Program

“The program is really suitable for those who want to do media research and production work. I think DBMD is a great chance to save time and give you access to a different culture.”

Bachelor’s: Journalism, Shanghai International Studies University

Master’s: Media Studies and Production

DBMD ALUMNI

Hao-Wei Yang

News Director, Ketagalan Media
Taipei, Taiwan

“I love how Philadelphia is a very welcoming and comfortable city for newcomers. Temple really has a comprehensive program to help new students to adjust to Philadelphia. I always felt welcomed throughout my two years there and have been returning to the city at least once a year.”

Bachelor's: Foreign Languages and Literature,
Tunghai University

Master's: Journalism, Temple University

DBMD ALUMNI

Peirong Chen

Research Associate II at NGMbio
San Francisco, USA

“DBMD helped me to get into the grad school much more earlier than other path. During my school years, my professors were great and really supportive.”

Bachelor’s: Biology, Tunghai University

Master’s: Molecular Biology and Genetics, Temple University

DBMD ALUMNI

Zhuxuan Xu

Research Specialist, University of Pennsylvania
Philadelphia, USA

“My professors were kind and admirable and very open to students. DBMD officers always provided information about interesting events, like barbecues and camping. I really liked it!”

Bachelor’s: Biopharmaceutical Technology, China
Pharmaceutical University

Master’s: Biomedical Sciences, Temple University

DBMD ALUMNI

Yu Du

Video Editor, Real Arts Media
Philadelphia, USA

“DBMD program is a great investment because it’s an accelerated program. The Program takes good care of students academically, and they host many events for DBMD students to stay connected. I felt they were always willing to help.”

Bachelor’s: Journalism, Xiamen University

Master’s: Media Studies and Production, Temple University

DBMD ALUMNI

Futao Lu

Ph.D. Candidate in Economics, Hong Kong University

“I feel grateful for all my experiences at Temple. I was able to get both my bachelor’s and master’s degrees in just 5 years. Temple enhanced my research and gave me the chance to learn about U.S. culture and travel throughout the country. Temple’s great professors and coursework definitely helped me get into my Ph.D. program.”

Bachelor’s: Mathematics, University of Science and Technology of China

Master’s: Economics, Temple University

DBMD ALUMNI

Jia Hao

Software Developer, OSloft
San Leandro, USA

Bachelor's: Digital Media Art, Beijing Forestry
University

Master's: Media Studies and Production, Temple
University

DBMD ALUMNI

Zhan Jiang

Regulatory Affairs Specialist, AstraZeneca
Beijing, China

My time at Temple was very exciting, joyful, and unforgettable. I learned cutting-edge knowledge in the biomedical realm, did experiments in advanced labs, and had fun with cool friends in my free time. All of these experiences gave me many advantages starting my career.

Bachelor's: Biotechnology, China Pharmaceutical University

Master's: Biomedical Sciences, Temple University

DBMD ALUMNI

Qi An

Deloitte

Philadelphia, USA

“Temple’s Actuarial Science program is one of the best in the US. You are emerged in the industry network: your schedule is filled with informational interviews with Temple alumni; you get unlimited opportunities to talk with a career coach; you are surrounded by thousands of internship/ volunteering opportunities. Undoubtedly, it’s the most ideal place to start a career as an insurance professional.”

Bachelor’s: Economics, Nankai University

Master’s: Actuarial Science, Temple University

DBMD ALUMNI

Dehua Lai

Computer Vision Engineer, Ai Cure Technologies, Inc.
New York, USA

“I have to say that choosing the DBMD program is one of the best decisions I have made. I cannot be where I am now without Temple. I learned a lot at Temple, not only academic and professional skills, but also getting to know this country and the people.”

Bachelor's: Automation, University of Science and Technology of China

Master's: Electrical Engineering, Temple University

DBMD ALUMNI

Xiao Xiao

Production Engineer, Facebook
California, USA

Bachelor's: Artificial Intelligence, Xiamen University

Master's: Computer Science, Temple University

DBMD ALUMNI

Pingting Shang
