| Course Objective／授業の目的と概要            | <p>Internationalization is a necessary process for higher education these days. For this process, students are one of the significant stakeholders. To be active stakeholders impacting internationalization in their university, it is important for them to have background knowledge of the past and current internationalization initiatives and learn practical implementation in their university. The objective of this course is to provide an overview of policies and practices in overall internationalization of Japanese higher education as well as Osaka University.</p> <p>By the end of the session, students will be able to:</p> <ol style="list-style-type: none"> <li>1) give an insight into key internationalization initiatives in higher education since 1980s,</li> <li>2) identify challenges and future potential in Japanese internationalization efforts,</li> <li>3) critically think and analyze their positioning in Osaka University and</li> <li>4) make concrete suggestions in order to make improvements in the current university internationalization initiatives.</li> </ol>  |  |                         |     |   |  |                              |  |   |     |   |  |                              |  |   |     |   |  |                              |  |  |     |  |  |                              |     |   |  |  |
| Learning Goals／学習目標                  |  |  |                         |     |   |  |                              |  |   |     |   |  |                              |  |   |     |   |  |                              |  |  |     |  |  |                              |     |   |  |  |
| Requirement / Prerequisite／履修条件・受講条件 | No requirements  |  |                         |     |   |  |                              |  |   |     |   |  |                              |  |   |     |   |  |                              |  |  |     |  |  |                              |     |   |  |  |
| Class Plan／授業計画                      | <p>In the first half of the course, you are going to have basic knowledge on internationalization of higher education in Japan. Then the second half of the course allow students to explore internationalization of Osaka University, identify challenges, and make a concrete internationalization plan in a group.</p> <table> <tr> <td></td><td>Title:Self-Introduction</td></tr> <tr> <td>1st</td><td>Map the relations between yourself and internationalization of higher education</td></tr> <tr> <td></td><td>Instructor : Yukiko Ishikura</td></tr> <tr> <td></td><td>Title:Definitions and drivers of Internationalization of Higher Education</td></tr> <tr> <td>2nd</td><td>Explore what internationalization of higher education stands for and what it means in different contexts. ## Independent Study Outside of Class／授業外における学習

All readings will be prepared by the instructor and provided to the students. Students are required to read the reading materials assigned each week before each class. In addition, you are required to work with your teammates for a project. Independent study outside of class is going to require 4 hrs.
